Labor Fee

Upon agreement of the photobooth services, if the following terms are not met, a \$200.00 fee will apply.

**The Provider agrees to have the photobooth fully functional for a minimum of 80% of the service period. Occasionally, operations may need to be interrupted for maintenance of the photobooth.*

Space

The Customer will arrange an appropriate space for the photobooth at the event's venue. The Geskus photobooth requires a 10'x15'x10' area for setup. Any delay in performance or damage to the photobooth equipment due to improper power is the responsibility of the customer. The client shall provide Geskus with safe and appropriate working conditions and a solid floor. The photobooth is not capable of travel up or down stairs; it requires an elevator and/or access ramp.

Miscellaneous Terms

This is the entire agreement between Geskus and the Customer and shall not be modified, except in writing with signatures from both parties. In the event Geskus is unable to supply a working photobooth for at least 80% of the service period, the Customer shall be refunded a prorated amount based on the amount of service received. If the printer fails to print out photos on-site, Geskus will deliver prints as well as a digital collection of all photos (either via website or CD) to the event's coordinator, free of charge, within 4 weeks of the original event.
